

2025 Sponsor Prospectus

GEOTECHNICAL VALUE-ADD FOR UNDERGROUND CONSTRUCTION WORKSHOP

This workshop is dedicated to exploring how optimized use of geotechnical information can drive the success of underground construction projects. Featuring presentations from pipeline and utility owners, as well as perspectives from consultants and contractors, the workshop aims to enhance productivity, mitigate risks, and improve outcomes in underground construction.

Designed for a diverse audience of practitioners—including engineers, contractors, consultants, and project owners—this workshop offers valuable insights and practical strategies to elevate the efficiency and reliability of underground construction projects.
